

Floatz at Epperson Lagoon is adding staff passionate about the aquatic adventure lifestyle for Spring and Summer positions. The duties of our staff include assisting guests with launching kayaks & paddleboards from the shores of the lagoon, operating the multi-story water slide, leading sessions on the floating obstacle course, and introducing guests to the latest in Virtual Reality snorkeling. Floatz also offers SCUBA lessons, Mermaid University, Swim School and operates a retail/rental area for access to all of our offerings.

Floatz employees will find themselves working in the beautiful Caribbean blue waters of the lagoon, bronzing their tan every shift and making memories with fellow staff & guests.

**Positions:** Starting at \$10/HR

*Lifeguards  
Swim Instructors*

**Preferred Experience:**

*Hospitality- resort, rentals, activities  
Theme Park experience  
Youth Group or Camp Counselor experience  
Paddleboard, SUP, Kayak

Aquatic Instructors*

**Requirements:**

Current Lifeguard certification preferred- we will offer a lifeguard certification course at a cost of \$150 plus \$35 Red Cross administrative fee, \$185 total for those who need a re-certification or first time certification.

Certification course cost and a \$50 bonus will be paid back to the employee after 300 hours of employment without incident.

Please review the Red Cross Lifeguard swim test requirements below:

1. Must complete the prerequisite prior to registering for a Lifeguarding Course.
2. Swim 300 yards continuously demonstrating breath control and rhythmic breathing. Candidates may swim using the front crawl, breaststroke or a combination of both but swimming on the back or side is not allowed. Swim goggles may be used.
3. Tread water for 2 minutes using only the legs. Candidates should place their hands under the armpits.
4. Complete a timed event within 1 minute, 40 seconds.
  - Starting in the water, swim 20 yards. The face may be in or out of the water. Swim goggles are not allowed.
  - Surface dive, feet-first or head-first, to a depth of 7 to 10 feet to retrieve a 10-pound object.
  - Return to the surface and swim 20 yards to return to the starting point with both hands holding the object and keeping the face at or near the surface so they are able to get a breath. Candidates should not swim the distance under water.
  - Exit the water without using a ladder or steps.
