

# Learn to SCUBA

Congratulations, you've just taken your first step to becoming a certified SCUBA diver. Your class will consist of six training sessions (2 class sessions, 2 pool sessions and 2 open water sessions.) When you're ready to sign up, simply call the staff at Gulf Coast Divers to schedule your personal counseling session.

During this session we will go over class schedules, start your student training record, and personally fit you with the necessary equipment for class. This equipment includes mask, snorkel, fins, boots, and weights. If you already have some or all of these items, we ask that you bring them in at time of sign up so we can be sure it's in safe, working order for SCUBA.
